**RECONSIDERATION PETITION UNDER 37 C.F.R. § 1.182 TO
REPRINT THE FRONT PAGE OF THE LETTERS PATENT**

Dear Sir:

Patent Owners/Assignees hereby petition under 37 C.F.R. § 1.182 to reprint the front page of the above-identified Patent.

On January 16, 2003, the Patent Owners filed a Petition Under 37 C.F.R. § 1.182 For Issuance of a Corrected Patent. A copy of that Petition (without exhibits) is attached hereto as Exhibit 1. On July 8, 2003, the Patent Office issued a Decision on Petition dismissing the

Patent Owners' Petition. A copy of the Decision is attached hereto as Exhibit 2. Although the Decision denied the relief that was sought by Patent Owners, the Decision stated that:

The appropriate avenue to obtain relief is to file:

(1) a petition under 37 C.F.R. § 1.183 to waive the rules and accept the correction of the assignee on the front page of the above-identified patent by way of a certificate of correction -- the petition must include a completed certificate of correction form, the \$130 petition fee, and the \$100 certificate of correction fee and

(2) a reconsideration petition under 37 C.F.R. § 1.182 to reprint the assignee's name, as well as the correct title, etc. on the front page of the Letters Patent. The desired changes must be reflected in the request for the certificate of correction. As stated above, petitioner must return the original Letters Patent. Please note that only the front page of the Letters Patent is reprinted. All other copies are considered corrected by the normal certificate of correction process.

In accordance with this statement in the Decision, Patent Owners file this Petition to meet the requirements of part (2) of the statement. A separate Petition under 37 C.F.R. § 1.183 is being filed herewith to meet the requirements of part (1) of this statement.

In accordance with 37 C.F.R. § 1.182, the Director is hereby authorized to charge the petition fee required by 37 C.F.R. § 1.17(h) (i.e., \$130) with this Petition to Deposit Account No. 50-0324.

As required by part (2) of the above-referenced statement in the Decision on Petition:

(i) the desired changes to the front page of the Letters Patent with respect to item [73] are indicated in the Certificate of Correction form PTO-1050 filed with the separate Petition Under 37 C.F.R. § 1.183 (copy attached hereto as Exhibit 3) and with respect to items [54], [56], and [75] are indicated on the Certificate of Correction issued August 6, 2002 (copy attached hereto as Exhibit 4); and

(ii) the original Letters Patent for the above-identified case is enclosed herewith.

The Director is hereby authorized to charge any other fees that may be due in connection with this paper or otherwise due in connection with the above-identified Patent, and to deposit any overpayment of fees in connection with the above-identified Patent, to Deposit Account No. 50-0324. A duplicate copy of this Petition (without exhibits) is enclosed herewith.

Respectfully submitted,

By:
